

This website uses cookies to provide a great experience for our visitors and customers. Cookies are small pieces of data stored on a site visitor's browser. They are typically used to keep track of the settings users have selected and actions they have taken on a site.

Users can deny the use and saving of cookies from this website on to their computers hard drive by going into their web browsers security settings to block all cookies from this website and its external serving vendors.

We do not use cookies to collect personal information about you. The following cookies we use are;

First-Party Cookies

Third-Party Cookies

Duration:

- **Session (transient) cookies:** These cookies are erased when site visitors close their browsers and are not used to collect information from their computers. They typically store information in the form of a session identification that does not personally identify the user.
- **Persistent (permanent or stored) cookies:** These cookies are stored on a site visitor's hard drive until they expire (at a set expiration date) or until they are deleted. These cookies are used to collect identifying information about the user, such as web surfing behavior or user preferences for a specific site.

Category:

- **Strictly necessary cookies:** These are the cookies that let your visitors browse through your site. They are also necessary for security reasons.
- **Functional cookies:** These cookies "remember" registered visitors/customers in order to improve their user experience.

Non Essential Cookies: There are no Non Essential Cookies on this Website
